Welcome to Britannia in Morocco

Britannia in Morocco

Britannia can offer you a door to door service to Morocco, and can either ship your effects by sole use container, or for smaller shipments in a wooden crate (LCL). In addition we can offer a door to door airfreight service to some destinations in Morocco. Our agents in Casablanca will arrange customs clearance, and deliver and unpack the effects, including removal of debris on day of delivery.

Importing Personal Effects

Shipments of used household and personal effects can be imported duty free provided they have been in the owners possession and use for six months. A change of residence certificate, inventory in French and work permit/residence visa are required. Your local Britannia Member will provide you with detailed customs regulations.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.

Prohibitions and Restrictions

In general it is in your interest not to import the following items:

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods

Transit Times

Sole use containers usually take an average of 5 – 6 weeks. Crated consignments may take slightly longer at 6 – 7 weeks.
