REMOVALS, STORAGE AND INTERNATIONAL SHIPPING

Welcome to Britannia in Thailand

Britannia in Thailand

Britannia can offer you a door to door service to Thailand, and can ship your effects by sole use container, or for smaller shipments, in a wooden crate (LCL). In addition we can offer a door to door airfreight service to most major destinations in Thailand. Our agents in Thailand will arrange customs clearance, and deliver and unpack the effects, including removal of debris on day of delivery.

Importing Personal Effects

Shipments of used household and personal effects can be imported duty free providing they are owned for longer than six months. Only one consignment by sea and one by air is allowed duty free. Returning Thai residents must have lived abroad for more than twelve months. Your local Britannia Member will provide you with detailed customs regulations.

All necessary documentation must be completed and submitted when requested, before your shipment is dispatched. Please note that you must be in the country in order to successfully complete all customs clearance procedures.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents.

Prohibitions and Restrictions

In general it is in your interest not to import the following items:

- Firearms & ammunition
- Inflammable goods & substances
- Plants & plant material
- Foodstuffs, perishables or otherwise
- Alcohol, narcotics and dangerous goods
- Offensive material
- Short-wave radio devices

Transit Times

Sole use containers usually take an average of 5 – 6 weeks door to door. However this can vary depending on customs or immigration delays and prevailing weather conditions. Crated (LCL) shipments usually take 7 – 9 weeks door to door.

Tracking Consignment

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and allow Britannia to check the status of your goods in transit.
