Importing Personal Effects

Shipments of used household and personal effects may be imported duty free provided the shipper has owned and used them prior to shipment. Your local Britannia Member will provide you with detailed customs regulations.

All necessary documentation must be completed and submitted when requested, before your shipment is dispatched. Please note that you must be in the country in order to successfully complete all customs clearance procedures.

Documentation

Britannia and our agents will assist you with completion of customs formalities. To assist us with this please let us have a copy of your passport (and Visa if applicable).

The required documentation will be supplied to you on arrival. To avoid any potential additional charges and delays it is advisable that relevant forms are completed and returned promptly to our Agents. The most important requirement is your NIE (National Identification Certificate).

Transit Times

Groupage or shared containers usually take an average of 7-9 weeks door to door. However, this can vary depending on volumes being shipped, customs or immigration delays and prevailing weather conditions. Sole use container loads take on average 4-6 weeks door to door.

All groupage consignments will be bar coded before they are loaded into the shipping container. This will ensure that no items are left at origin and will allow Britannia to check the status of your goods in transit.
