But just what would a student need from a moving company we hear you say? Well consider this: those infeasibly long holidays and potential for overseas travel or a return journey home all involve travel and its here where Britannia can help.

Plus, you could win some fantastic prizes via our student promotional competition.

Maybe you're between student accommodation and need to store your stuff while you're abroad, or maybe you just need a cheap no-nonsense way of getting your baggage and other kit over to France, Spain, Greece or even Peru.

If any of this looks good to you, then get in touch and enquire about Britannia's student services. You can take advantage of our preferential student discounts off a range of services by just calling or emailing your local office.

Please note: NUS cards must be shown to be eligible for student discount.
